Today, if you hear His voice, harden not your hearts. *Ps 95:8*

- Sunday** **All Churches and especially Acton Parish Church. "Pentecost"**
 Lord we need Your Holy Spirit as much today as did the Disciples once You had left them. Anoint us with Your Power again we pray – every church meeting. We need You, How we need You. Bless us anew.
- Monday** **All Schools and especially Tudor Road** As these youngsters listen may they learn the difference between good and evil and grow in great strength thus able to fight for the right. Endow our teachers with a new understanding of each student, their background & their potential skills
- Tuesday** **Charities – SoBS** state there is shame & misunderstanding around suicide and they are there to help people work through the trauma and rebuild their lives. What a blessing they must be. Lord use their loving skills & give them the joy of seeing many find peace of mind & heart
- Wednesday** **Civic – Town Market** reduced to little more than fruit & veg, it is so disappointing to walk through. Lord revive our Town. May there be openings for new traders on our Market Hill so the place 'buzzes' again. Bring back the camaraderie of past days and draw shoppers in.
- Thursday** **CTiS&D: K&F 10 – 1.30** a place of real friendship and comfort. May all who enter find the joy of good company as well as good food. Walk between the tables Lord and bless as only You can. May those who serve know no tiredness, just complete satisfaction that they serve You
- Friday** **Services – Garages** always there to meet our needs. Thank You for their skills & ability to solve our problems. May we be quick to show them how much we value them. Thank You for every single one.
- Saturday** **Prayer Breakfast 8 – 9.30 Acton Parish Church** May our prayers encourage and revive both this church and ourselves. Be in our every thought and prayers Lord. May we share Your Holy Spirit, even with folk we hardly know. Be so close that everyone of us is blessed.

How great is the love God has lavished on us! *1 John 3:1*

- Sunday** **All Churches and especially Sudbury Baptist Church.** We ask for an outpouring of Your Holy Spirit please Lord. From clergy to voluntary help & every visitor, may a very real sense of Your Presence be within our buildings resulting in praise worthy of Your Holy Name
- Monday** **All Schools and especially St Joseph's.** Striking teachers must disturb students and assistants. Lord bring peace to this school and help those responsible to face & iron out their problems. Bless those involved and speak peace into the young lives that will inevitably suffer
- Tuesday** **Charities – Reach / Step Change** 2 orgs offering help with Debt problems. Money worries affect every family member, not just the bread winner. Lord help us to take clear stock of what we have and what we need so as not to be lulled into overspending by the media
- Wednesday** **Civic – Sudbury Clinic** was to solve all our local needs but this does not seem to be happening. May it run so efficiently that WS Hospital is positively relieved by blood tests etc carried out efficiently locally. As our GPs are fewer, may this facility be well able to stand in the breach.
- Thursday** **CTiS&D: - Eden's Project** offer Natalie's help to young people's well being. May she share loving Your wisdom so that every connection she makes, brings understanding and peace of mind to these yp's. Be with our local Young People Lord may they discover You as a Friend
- Friday** **Services – Community Police & children.** A former PCSO stepped down after 10 years breaching this gap. We pray that all he achieved might continue to bear fruit both with the youngsters and in future police staff. May lives be turned around as firm friendships grow
- Saturday** **Prayer Breakfast 8 – 9.30 at Salvation Army** Come and bring your prayers as we share warm friendship, good food and the needs of our area together. You can sit silently, join in or just be sure of a welcome
