

Covid-19 Vaccination

What are your concerns?

Healthwatch Worcestershire find out what people think about health and social care services. We use this information to tell those who run the services how they can be improved.

We really want to hear from people who are concerned about taking the Covid-19 vaccine.

We would like to understand what those concerns are and where you look for information about the vaccine.

Please complete our short survey

if you have concerns about having a Covid-19 vaccination.

Survey can be completed online here -
