# HEALTH *Wise*

## Feel better faster.

Your free health and  
wellbeing benefits worth  
up to **£2,080** per year.

## FEEL BETTER FASTER WITH HEALTHWISE

HealthWise is an app that's designed to help keep you healthy and happy every day. As a member of The Exeter, you and your immediate family (spouse, partner or child) have access to a range of services that offer quick and convenient medical advice and treatment.<sup>1</sup>

The services can be accessed from anywhere in the world through your smartphone or tablet, and using them will not affect your premiums or No Claims Discount (if one applies to your policy).

Here's what HealthWise offers you in addition to your policy benefits:

### REMOTE GP APPOINTMENTS

UNLIMITED CONSULTATIONS  
PER YEAR

### PHYSIOTHERAPY CONSULTATIONS

UP TO **SIX** CONSULTATIONS  
PER YEAR

### MENTAL HEALTH SUPPORT

UP TO **SIX** CONSULTATIONS  
PER YEAR

### SECOND MEDICAL OPINION

UP TO **TWO** CONSULTATIONS  
PER YEAR

### REGISTERED DIETITIAN CONSULTATIONS

UP TO **SIX** CONSULTATIONS  
PER YEAR

### LIFESTYLE AND NUTRITION CONSULTATIONS

UP TO **SIX** CONSULTATIONS  
PER YEAR

### NEW HEALTH MOTs

**ONE** HEALTH MOT KIT  
PER YEAR

Keep on top of your health with a yearly health assessment through a pin prick blood test. This test checks 20 different markers to spot any problems early on. You will receive a report in the app with the findings.

One Health MOT per year for policyholders only.

<sup>1</sup> Remote GP appointments can be used by children if accompanied by their parent.

Mental health support, physiotherapy, registered dietitian consultations, and lifestyle and nutrition consultations are not available to under 16s, unless they are referred in-app after a remote GP appointment.

## UNLIMITED REMOTE GP APPOINTMENTS

Book a video or telephone consultation with a UK-based GP who can issue prescriptions and make referrals to specialists if required. There are no in-app charges for referral letters or prescriptions. If you use a referral from HealthWise to claim on your health insurance policy, additional medical information may be required from your usual GP.

THE SERVICE HAS MOST COMMONLY BEEN USED FOR:

### MUSCULOSKELETAL CONDITIONS

- Back pain
- Arthritis

### INFECTIONS & RESPIRATORY ILLNESSES

- Laryngitis
- Viral illness

### SKIN CONDITIONS

- Impetigo
- Dermatitis

### PRESCRIPTIONS

You can now order your private and NHS repeat prescriptions through HealthWise. There is no charge for this service.

## HEALTH MOTs

You can access one health MOT per year.

This is a self-administered finger-prick test you can take in the comfort of your own home. This test checks 20 different health markers to spot problems early on. It covers issues like the risk of diabetes, cholesterol status and liver health. You will receive a personalised health report and recommended course of action in your app. If needed, you can then book a follow-up consultation with a GP through the app to discuss the results. This service is only available to policyholders and not members of your immediate family.

### Providing you value in more than one way

Based on an average of six consultations per year, the Remote GP service could save you up to **£350** if you chose private treatment\*. And the Health MOT service could save you **£120**. That's a combined saving of **£470** if you use both services.\*\*

## A MEMBER’S EXPERIENCE

**POLICY HELD:** INCOME PROTECTION  
**SERVICE USED:** PHYSIOTHERAPY

“The service was amazing, I started to feel better after the first session.”

Mark, started to experience back pain that became progressively worse. He booked a video appointment with a physiotherapist.

“We discussed the pain I was experiencing, my work, hobbies, and lifestyle. He put the pain down to bad posture and told me I needed face-to-face treatment.” Within 48 hours of his initial call, Mark attended his first physiotherapy session. He had a deep tissue massage, and the physiotherapist explained the importance of posture, recommending Pilates to help build a strong core to support his back. Mark was also given a resistance band and exercises to do at home. Mark went on to have five further sessions of physiotherapy including acupuncture and was encouraged to do exercises between each. “The service was amazing. It helped resolve my pain and gave me a way forward to strengthen my core and avoid further back pain.”

## Providing you value in more than one way

Our physiotherapist specialists are here to help, whether it be with range of movement or more serious musculoskeletal problems.
