

'Carpe verba! (Grasp the words!) A hugely fun and useful tool for Latin learners.  
I wish I'd had this book when I was learning Latin.'

Caroline Lawrence, author of *The Roman Mysteries*.

# A LATIN LEXICON

## AN ILLUSTRATED COMPENDIUM OF LATIN WORDS AND ENGLISH DERIVATIVES

Caroline K. Mackenzie

A charming compendium of Latin words and English derivatives, encompassing over 365 words required for Latin GCSE, one for each day of the year. Each Latin entry is accompanied by key notes on grammar, translations and some playful and memorable derivatives. A concise introduction and a glossary of Latin in common usage combine to make this a *vade-mecum* (essential companion) for all learners of Latin as well as cruciverbalists. The text is imaginatively punctuated by 20 full-colour illustrations by Amanda Short.

'This delightful illustrated book will serve two purposes:  
the straightforward English derivatives will help  
students remember their Latin vocabulary, and the  
recondite ones will give a head start for the Scrabble  
board or cryptic crossword.'

Dr John Taylor, author of *Essential GCSE Latin*.

'A handsome and lively introduction to Latin through  
its core vocabulary and derivatives.'

Everyone should have a copy.'

Dr Daisy Dunn, author of  
*In the Shadow of Vesuvius*

Hardback; 142 pages; designed in full colour throughout; ISBN 978-1-78969-762-9

RRP £24.99

## Further praise for Caroline K. Mackenzie's *Latin Lexicon*

*'The narrator of a recent French historical novel muses: 'My whole life I owe to Greek... Declensions proved to be the instrument of my ascent.' Pari passu and mutatis mutandis, that surely is what every reader will say after reading, marking and inwardly digesting Caroline Mackenzie's brilliant Latin Compendium.'*

**Professor Paul Cartledge, University of Cambridge**

*'The perfect book for anyone who, like me, wishes they had understood Latin at school. Why did our teachers tell us it is a "dead language", and not how useful it would be in real life?'*

**Janie Hampton, author**

*'Latin can be fun, who knew? A real must for anyone learning Latin or interested in language. I genuinely LOVE this book. It is a fantastic idea and looks absolutely beautiful.'*

**Celia Rees, author and former English teacher**

*'A thoroughly helpful volume, great for both reference and pleasure, ideal for both the crossword and the classroom.'*

**Michelle Lovric, author.**

*'Elegantly presented, entertaining, and educational.'*

**Ruth Downie, author**
