LMSDigiTeach Online Lessons

Parent Protocol for Receiving Instrumental and Vocal lessons via LMSDigiTeach

In order to ensure that online learning is a safe and enjoyable experience for all concerned, we have put together the following Protocol that parents and carers must adhere to. This Protocol is subject to our current Terms and Conditions of Contract. The price you will be charged as well as the method of payment remain the same.

All the rules for safe, professional behaviour that apply in a practice room lesson at school or in a music centre, still apply online and all our teachers have been given comprehensive advice about delivering online lessons safely. As you are already aware, all our teachers have been safely recruited, have up-to-date training, are fully DBS checked and are experienced professionals.

In addition to this, online learning has the following safeguards in place:

- Parents must confirm that they have read and agree to the Protocol before lessons can commence
- All lesson invitations will go to parents/carers and they will log in for their child.
- If anything happens that you, as a parent, feel uncomfortable about you should report it to our designated safeguard lead for LMSDigiteach, Jennifer Mckie, by emailing <u>Jennifer.Mckie@lincolnshire.gov.uk</u> immediately.

Please read the following document below to show that you have read, understood and agree to adhere to the Protocol for online teaching.

Protocol for Online Teaching

- I confirm that I have read this Protocol and understand that online lessons cannot commence until this confirmation is received.
- I will not video or audio record any part of the lesson nor allow my child to do so. This includes the use of screen shots.
- I hereby give consent for my Child to have online lessons via the media proposed by the Council.
- I agree to remain nearby or in the same room with my Child for the duration of the lesson. As good practice, you should greet the parent or guardian before the lesson commences.
- I understand that the lesson must take place in a suitable room where there are no other children, and my Child will remain undisturbed.
- I understand that lessons must never take place in a bedroom, nor in a bathroom for any reason.
- I will ensure that my Child is dressed appropriately, in daytime clothing and I understand that teachers will end the lesson if a child, in the opinion of the teacher, is not appropriately dressed.
- I will ensure that my Child is aware that the chat facility in Google Meet and Zoom, is not to be used as part of the lesson unless the teacher is sending specific instructions.
- I understand that my lessons will be timetabled for the same day and time each week and agree to my Child attending them unless in exceptional or unavoidable circumstances.
- I understand that no other contacts are invited into the online lesson. As per lessons in school, the lesson is for the Tutor and Child explicitly. Arrangements for the date and time of the lesson should be made between the parent/carer and the instrumental teacher only, not the student themselves it would be advisable to confirm the lesson time and date by email.
- I understand that if I do not attend a timetabled lesson without prior agreed rescheduling, I will be charged the full cost of the lesson. If I am late for a lesson, the teacher will remain available to teach for the unexpired period of that time-tabled lesson ONLY but I will still be charged for the full cost of the lesson.
- I understand that if the lesson is affected by background distractions that make it impossible for the teacher to deliver the lesson and/or other children are visible, that the lesson will be ended. The teacher will seek to rearrange the lesson where possible but, if it cannot be rearranged, I understand that I will still be charged the full cost of the lesson.
- I understand that if the lesson is affected by technical issues that cannot be fixed within a reasonable period of time, then the teacher will end the lesson and contact me. Where possible, they will seek to rearrange the lesson. If the lesson cannot be re-arranged for any reason, I understand that I will still be charged the full cost for that lesson if the technical issues were attributable to problems with my IT system. If the technical problem arises from the Council's IT system, and the lesson cannot be re-arranged, then I will not be charged.
- This Protocol is only applicable during the COVID-19 restrictions when normal face to face
 music lessons cannot take place. We reserve the right to review the arrangements for
 lesson delivery in line with Government guidelines and prior arrangement from schools.

To accept this protocol, you must now tick the relevant box in the SpeedAdmin sign up system.

Thank-you.
